

## BESTIE Newsletter n°1 - July 2023

### The good practice guide is out!

Get ready to be inspired by the amazing work showcased in the BESTIE Good Practice Report! This report highlights the incredible efforts of those who are bringing generations and cultures together to improve digital skills learning through peer-to-peer interactions. It's truly heart-warming to see seniors, migrants, and youth collaborating and sharing their knowledge to bridge the digital divide.

### The BESTIE project

*The Befriending for Social and Digital Inclusion project aims to provide a fresh and innovative model of cross fertilization of digital and social skills for senior citizens, migrants, and young people.*

*BESTIE promotes cooperation within the community on an intergenerational basis, bringing together seniors, migrants, and young people with the help of adult educators, to overcome the digital and social exclusion of these groups, by allowing them to work together on bridging key skills:*

***a community-based exchange in creating human interpersonal connections!***

## Le guide de bonnes pratiques est disponible !

Inspirez-vous des exemples présentés ce guide BESTIE ! Il met en lumière les efforts de ceux qui rassemblent les générations et les cultures pour améliorer l'apprentissage des compétences numériques, grâce aux interactions entre pairs. Vous y découvrirez des initiatives où des personnes âgées, des migrants et des jeunes collaborent et partagent leurs connaissances pour combler le fossé intergénérationnel et interculturel.

## Le projet BESTIE

Le projet **Befriending for Social and Digital Inclusion** vise à fournir un modèle innovant de brassage des compétences numériques et sociales pour les seniors, les migrants et les jeunes. BESTIE promeut la coopération une base intergénérationnelle et interculturelle avec l'aide d'éducateurs pour adultes, afin de surmonter l'exclusion numérique et sociale de ces groupes, en leur permettant de travailler ensemble sur le rapprochement des compétences clés : un échange de pair à pair pour créer des liens interpersonnels humains !
